US OPEN begins. Watching Hingis play. Feels good to watch Martina play. She's such a comfortable stylish relaxing pleasant attractive player to watch. I love it. Although her second serve really sucks, serves are boring anyway so I'd rather watch Martina Hingis any day of the week! Overall Best Tennis Players To Watch for relaxing stylish classy smart aggressive attractive graceful tennis: Now this is womens tennis! Martina Hingis Justine Henin Jelena Dokic ( my fave ) Kim Clijsters Anna Kournikova Barbara Schett Alexandra Stevenson Lindsay Davenport BBP

I agree, Martina is the most beautiful woman on the wta arguably. I love to watch her watch. Williams deserve their credit. But there is nothing like watching a beautiful woman like Martina with her great style play. Don't forget she beat the williams sisters back to back at the Aussi Open. Hinfis Forever
